

OUR SAFETY POLICY

SAFETY PLACE

- The Estate covers an area of over 300 hectares. Because to this, our guests can find a safe and safe space for rest.
- We are located in a small, calm village, among meadows, fields and forests. Our guests are not exposed to risk of having contact with huge numbers of people.
- The extensive area that belongs to Galiny Estate provides unlimited opportunities for active contact with nature. Here, we have picturesque tracks for horse riding, cycling and walking. Our guests don't have to leave the hotel and the area to relax.

SAFETY SOLUTIONS

We have implemented a few solutions for our mutual safety:

Public spaces:

- Please sanitize your hands after entering.
- We have increased the frequency of sanitizing all handles, handrails, public toilets.

Reception:

- Our reception is isolated with a transparent glass.
- Reception staff works in disposable gloves.
- Only one person can be at the reception desk.
- There are hand sanitizers by the reception desk. Please use them before filling out the registration card.
- Please use your own pens or our disposable pens.
- We encourage you to pay by card, the terminals are disinfected after each use.

Rooms:

- In addition to general cleaning, all surfaces are disinfected with special care and attention.
- After each check-out, the room is properly ozonated, which is why the hour of check-in has been moved to 15.00.
- Our housekeeping staff works in disposable gloves and protective masks.
- Cleaning the room takes place every 3 days or on special request.

Restaurant:

- We have limited the number of guests who can be in the restaurant at the same time. All tables are set in a distance of 2 meters.
- All tables are sanitized after each guest.
- Waiters work with gloves and masks. In addition, they are separated with transparent glass.
- All meals are prepared in a sterile conditions. Our trained chefs work using disposable gloves and protective masks.
- Hand disinfectants are provided at every work space.

Kids play room

- Kids play room is temporarily closed

PERSONAL SAFETY

- Please visit us only if you are healthy 😊
- Please use the hand sanitizers located in all common spaces.
- Please keep a safe distance from each other.
- You can buy a protective mask at the reception.

We look forward to see you soon!
